QUOTA INTERNATIONAL OF MASSILLON

Quota International of Massillon
is a non profit organization
empowering women, children,
the deaf and hard of hearing
and people with speech difficulty
in our local community.

Member Directory 2024

WHO WE ARE

Quota International of Massillon is a service organization that links members of all ages, occupations and nationalities in a network of service and friendship

Our mission is to strengthen communities by enhancing opportunities and resources for all of its citizens.

OUR PROGRAMS

As service is our mission and the heart of Quota USA, local clubs can determine how to meet the needs of their individual communities. However, Quota USA provides inspiration and opportunities to join other clubs to share ideas and success stories as well as national service initiatives.

MEMBERSHIP BENEFITS

Members of Quota USA connect to people in their communities beyond traditional networks of work, school, church and social groups and clubs to share ideas, provide service and develop lasting friendships. No other organization offers a way to improve a community's well-being while expanding an individual's working knowledge and contacts in the community. Both in our outreach efforts and fellowship events, Quota USA provides a variety of valuable experiences and members can decide their own time and talent participation.

While serving others is a top priority, establishing lifelong friendships is a natural result of the work we do together in support of our community causes. Members of local clubs are invited to grow personally and professionally by helping others and making friends along the way.

Our members gain satisfaction from helping one person to thousands throughout the country. Making a difference in the lives of others is our driving force.

Quota Collect

Quench in our hearts, O Lord, all fires of
selfishness

Unfold to us the joys of true friendship

Open our minds to a better understanding
of service

Teach us the real meaning of sharing

And help us to hold high those principles
of Quota for which we stand

IN MEMORIAM

.....always in our hearts
